Dear Ms. Martin:

I am pleased to inform you that your request to amend the Missouri Medicaid home and community-based service (HCBS) waiver that serves the Aged and Disabled, control number 0026.90.R3.03, who would otherwise require care in a Nursing Facility, is approved.

This waiver amendment eliminates telephone reassurance effective July 1, 2000, and adds Adult Day Care-Basic effective April 22, 2001.

The State also has updated their projections for Factors G, G prime, D & D prime to reflect the changes in the cost data with the deletion and addition of the two services.

This waiver continues to provide Homemaker/Chore Services, Respite, Home Delivered Meals and now Adult Day Care-Basic.

We conclude that the information provided in the initial amendment request and in additional clarifications supplied conforms to the requirements of the statute and regulations. Therefore, I approve the request for the amendment of the waiver effective April 22, 2001 for the addition of Adult Day Care-Basic, and July 1, 2000 for the removal of Telephone Reassurance.

The following estimates of utilization and cost of waiver services for year four and five are approved:

	<u>C</u>	<u>x</u>	<u>D</u>	<u>Total</u>
Year 4 (04/22/01-04/21/02)	40,292		2897.70	\$116,753,939.36
Year 5 (04/22/02-04/21/03)	47,644		2961.46	\$141,095,796.36
